Gentlemen:

Enclosed for your representative signatures is the Rocky Flats Environmental Technology Site (Site) Corrective Action Decision/Record of Decision (CAD/ROD) for Operable Unit No. 16 (OU 16): Low Priority Sites, plus two additional copies each. Your signatures will make this the first CAD/ROD at the Rocky Flats Field Office. Based on the available information provided to me, the OU 16 Administrative Record File was established in a manner consistent with the applicable regulations and procedures developed to support the environmental restoration program at the site. The index to the OU 16 Administrative Record File was forwarded to your respective staff under separate cover on August 31, 1994 (94-DOE-09287). The Site appreciates the guidance, assistance, and spirit of cooperation that your staff provided throughout the proposed plan/draft permit modification of Colorado Hazardous Waste Permit, public hearing, and CAD/ROD preparation.

Please forward signature page upon completion.

Sincerely,

Mark N. Silverman
